

Kids Dress for SUCCESS

The Kids Dress for Success Back to School Program provides new clothes and school supplies to eligible students.

Since 1996, volunteer shoppers from the Community Service Club of New Fairfield buy two outfits, shoes or sneakers, socks and underwear, pajamas, a winter or lightweight coat, a backpack and gift certificate for school supplies for each child...a value of approximately \$250.

Why does the Community Service Club offer this program? Research shows that when students feel good about themselves, they are more confident and succeed in school. Time and time again, self-esteem plays an important role in academic success. Some children miss the first week of school to avoid being compared and judged by other children in their new school clothes.

This year, 160 children in grades Pre-K to Grade 5 in New Fairfield were eligible. Please make a donation to the program. Every dollar brings us closer to helping a child reach his or her full potential.
